

A festive banner for Festa de São João. The background is a light beige wall with a plaid border at the top and bottom. A string of colorful triangular flags (red, green, blue, yellow, orange) hangs across the top. On the left, a large bonfire with orange and yellow flames sits on logs. On the right, a woman in a red top and floral skirt dances. A yellow straw hat with a red bow hangs from the top. A wooden picket fence runs along the bottom. Two informational boxes are on the right: a red one for the date and a yellow one for the schedule. A large ear of corn is in the bottom right corner.
